

Built in 2015, Oak Ridge Assisted Living & Memory Care is bright and friendly with all the modern amenities you'd come to expect. Our caring community offers the right amount of assistance to help individuals enjoy their independence and thrive.

OAK RIDGE AMENITIES

- Onsite transportation
- Full service barber/beauty salon
- Private courtyards and gardens
- Onsite physical, speech and occupational therapy
- Chapel service and Bible study
- Meals prepared three times a day in a casual restaurant-style setting. Daily specials and always-available items, like sandwiches and soup, are offered. Beverages and snacks are available 24 hours a day.

SOCIAL LIFE

Residents' interests drive our busy activities calendar. Throughout the weekday, at least three group activities are offered daily to residents. Examples of activities include:

- Exercise and fitness classes
- Arts & Crafts and games
- Live music and entertainment
- Outings and day trips
- Gardening
- Monthly birthday party with live music
- Chapel service and Bible study
- Special events, like our annual Luau and Old-Time Family Christmas.

OUR DIFFERENCE

So, what makes us special? Simply said, it's our nonprofit commitment to provide best quality care for the best quality of life. It begins with our exceptional staff.

In 2019, Oak Ridge Assisted Living & Memory Care received a perfect score in the Missouri Department of Health & Senior Services survey. This designation means our residents are receiving the highest level of care 24 hours a day.

Residents can expect these services:

- Around-the-clock nursing staff
- Management and administration of medications
- Assistance with personal care and transfers from a wheelchair, if needed
- Exercise program
- Coordination of doctor's appointments and providing transportation.

MEMORY CARE

When individuals face the challenge of memory loss, so do their loved ones.

As a certified Alzheimer's and dementia provider, Oak Ridge Memory Care offers an advanced and specialized level of care. The secure and adjacent community offers 13 studio apartments with the same amenities as the assisted living community.

Our core focus is cognitive care for the best possible quality of life. In our secure and friendly environment, residents are supervised and supported 24 hours a day by our specialized and licensed nursing staff.

Remaining physically and socially active can ease the progress and effects of Alzheimer's and dementia. Our personalized approach helps to fulfill as many activities and hobbies from their past into their lives today.

Some examples include:

- Sensory stimulation, such as hand massages, short

walks and aromatherapy, to awaken the senses for better cognitive function

- Activity stations, like gardening, sewing and knitting, to connect with longtime hobbies
- Art therapy to improve attention and give pleasure
- Music therapy to connect with long-loved songs.

APARTMENT AMENITIES

- All-paid utilities, including cable TV and WiFi
- Kitchenettes
- Individual heating and cooling systems

- Spacious bathrooms with low-entry ADA showers
- Large closets
- Housekeeping and laundry
- 24/7 Emergency Response System in bedrooms and baths
- Fire safety features, including smoke detectors and sprinkler systems
- 3 floor plans - studio, 1 bedroom and 2 bedroom - to fit your lifestyle. View floor plans at www.shirkeyhealthservices.com or schedule a tour at **816-776-3435**.
